

The 4th International Conference on Information Management [ICIM 2018] is a leading annual conference of internet technology, information systems and E-commerce for all researchers home and abroad. Along with the exciting exhibition, ICIM 2018 will be held in University of Oxford, United Kingdom, during May 25th-27th, 2018. On behalf of the organizing committee, we'd like to send our honest invitation to all distinguished scholars and engineers.

ICIM 2018 will provide a valuable opportunity for researchers, scholars and some scientists to exchange their ideas face to face together. The conference attracts participants in a diverse range of fields, including computational intelligence, management information system, Mobile and Pervasive Commerce and some other related fields.
