About ICIM

2025 the 11th International Conference on Information Management (ICIM2025) will be held at the Imperial College London, London, UK, from the 28th to the 30th of March, 2025. The main purpose of ICIM2025 is to provide an international platform for presenting and publishing the latest scientific research outcomes related to the topics of information management and information system applications. This conference offers good opportunities for the delegates to exchange new ideas, and to establish research and/or business links, as well as to build global partnership for potential collaboration.

Submission Method

To publish the full paper into conference proceedings and give the oral presentation, please send us the full paper.
